

This is America and I enjoy my xm music and their very beautiful broadcasts. Long trips become very boring without quality sounds, and if I elect to pay \$9.95, then I as an American want very much to continue with this privilege. I obey all laws, and I do continue it an honor and privilege to make my decisions as a mature adult. THank you for the opportunity for allowing me to be informed of this threat to our choice, and certainly we will be able to continue to listen to all xm broadcast.
